5. [] Handcarried to the Joint Committee on Atomic Energy a copy of JAEIC Report 1-68 entitled "Venting of Soviet Underground Nuclear Tests." Mr. Conway, of the Committee staff, seemed aware of the existence of this report. He said he was looking forward to reading it and said he understood there was one test included in this report of which the Committee had never been informed. I told Conway I couldn't imagine that this were true but if he had any questions after checking the report to give me a call.

6. [] Kathy O'Hara, in the office of Representative Roman C. Pucinski, called and said the Congressman had asked for any information we might be able to give him for a speech he will be making next week on the subject of "The State of the Jewish People in Russia Today and Their Future" before the American Jewish Congress. I said we would check on this and probably have some background information for the Congressman's use Wednesday.
